Approval of July minutes.

Review of reports, accepted as is.

Rachel went through the director's report and the children's library report. We discussed library in the park, WAMO's visit and the carpeting/painting. We talked about Eastridge and what curbside pickup looks like there. Jean had some questions regarding the current state of re-opening the library and we discussed not opening to the public until we see cases under 100 for two weeks. Everyone mentioned how much they miss their library.

Questions were asked regarding staffing and council funding the library. All present mentioned that they would do what they needed to help us out.

Public Comment-None.
