

Library board meeting May 17, 2022 5:30 pm

In attendance: Vince Neal, Jean Dexheimer, Staci King, Colleen Denne

The meeting was called to order at 5:40 pm

The minutes from April's meeting were approved as read

Directors report

New board member Staci King was welcomed. We discussed which wards each member represented. Jean and Vince are from Ward 2 and Staci from Ward 3. Unsure if Greg had resigned from the board. The bylaws state there should be representation of 2 people from each ward. We will work on this.

Casey Jablonka became full time jr. circulation clerk on May 7.

Library statistics were handed out and gone over. The April numbers were compared to March showing a slight decrease.

Programs- some have been attracting many attendees and others have been less. We are hoping to increase these numbers as we get out into the community and talk about the library and the programs being offered. Once again, Vince's program is extremely popular. We thank him for his commitment.

Council person Paige Trice joined us and we discussed the library board by laws and how board members were supposed to be appointed. She stated her displeasure with the reaction of one board member's to the most recent appointment.

The meeting was adjourned at 6:40 pm
